

WHITE SCREEN REMINISCENT OF THE OLD PC vs MAC COMMERCIALS

Two men standing side by side.

BLACK MP
Hello I'm Black M-P.

WATERS
Hello I'm all the other waters you
can get out there.

BLACK MP
Water, what is this?

WATERS
Well we need to bring back the hip
refreshing and healthy taste of
water!

BLACK MP
I-I totally agree, but isn't this an
old way of doing things?

WATERS
Nonsense, it worked for Mac and PC.
Surely it will work over a decade
later.

BLACK MP
Why..uhm...ok.

WATERS
Kids! Make sure you get your water,
better yet, get us with not just one
mineral but TWO minerals!!

BLACK MP
2? Why not get Black M-P with over
77 minerals?

Pause.

WATERS
Oh, shove an Apple in it.

BLACK MP
That's not very PC.
