TWO-SHOT: JOEL is standing to the right, BUST SHOT.

JOEL
Hello and welco...

CRAIG enters screen from left, but is cut off because Joel is so much taller.

CRAIG
Wait. This won't work.

Craig exits left. Joel turns back to camera.

JOEL
Welcome to our new series called BITE-SIZED BLESSINGS, this is where we share a small bite-sized message from the word of God. We want to share with you, in small chunks, lessons from our Lord and Saviour, Jesus Christ. You can find these episodes on our Facebook, Instagram and YouTube. We even have a section on our website that you can enjoy each little Bite-Sized Blessing.

Craig enters again, this time with a LADDER. He sets it up and is able to get to Joel's height. Proudly...

CRAIG
