HOLLY

MIKE
He studies internet trends for

HOLLY
Oh cool.

CRAIG bursts in, and straight into the kitchen.

CRAIG (O.S.)
What is this?!

Walks into the living room. He holds up a slab of steak.

MIKE
It's a steak.

CRAIG
You know how I feel about this...
everyone is against meat now! I
can't have it in this house!

He throws it into the garbage.

CRAIG (CONT)
Right, anyone up for a tuna
sandwich?

And goes back to the kitchen.

HOLLY
I thought he said no meat.

MIKE
Right now the trend is pescatarian.

Holly and Mike are out enjoying some fresh air.

A bag of lettuce exits the apartment and lands at their feet.

HOLLY
I thought you said he was a
vegetarian.

MIKE
He's a Fruitarian now.

Craig pops his head out.

CRAIG
The animals need to eat, and what do
we do? We take their food as our
own! Selfish, truly selfish!

Struts out.

MIKE

HOLLY
